MEMORANDUM

DATE: March 29, 2007
TO: Illinois Early/Head Start Grantees
FROM: Linda Saterfield, Chief, Bureau of Child Care & Development
RE: **Non-Federal Share and Illinois Child Care State Funding**

This is to update you that the Illinois statewide child care funding mix has not changed in the three (3) years since we last updated this memo. Illinois child care funding is 50% federal and 50% state general revenue funding. That means 50% of the Child Care Assistance Program (CCAP) funding you may be receiving if you are collaborating can be used as non-federal share for your Head Start funding.

Thank you. Should you have any questions about this memo, please contact the Head Start State Collaboration Office at (618) 583-2083 or gina.ruther@illinois.gov.
